COURTESY IS CONTAGIOUS !!!

by Charles Manning

"Common Courtesy is always better than precept, and the Golden Rule is the first rule of true Etiquette!"

A boorish, inconsiderate person can never claim adulthood! Practically all of the tests of an adult and all of the rules of training are wrapped in that one word — **COURTESY!** A charming and gracious personality is the most valuable asset an individual can possess. If there were no other reasons for acquiring courtesy and charm, the greater success and happiness that come would be sufficient! The ability to take an active part (whatever the occasion, wherever one may find himself) engenders that peace of mind so necessary to well-being.

Good manners are the outward sign of an inward and spiritual grace which has been built up in an individual by conscious efforts to do what is right and proper...and the practice of good manners and common courtesy should become a part of one's very consciousness from the time one is able to walk and talk. The reason Social Illiterates come out of the most select universities, as well as the smallest colleges, is because a college education cannot endow an individual with a conscience!

A deliberate disregard of the social customs which are usually observed by the well-bred is an acknowledgment either of complete ignorance, or that a false sense of superiority gives you the privilege of casual rudeness and lack of consideration for other people and their feelings. Remember, common courtesy is rooted and based on sincerity and true honesty.

In a world filled with fears and dominated by uncertainties, the soothing of gentle manners and of social etiquette are gold, frankincense, and myrrh to our spirits. The rudeness and bad breeding that tramples ruthlessly over the feelings and dignity of others can be replaced with courtesy—it is easy; it is contagious!! Tho some of us are often immune!!

" OF BOOKS AND BEATNIKS " -- NEW LIBRARY!!!

Monday, November 9, 1959, will mark the opening of our new Library located in the Judibana Community Center. The opening shall be at 4 p.m. and the hours will be from 4-6 each Monday, Wednesday, and Friday afternoon.

This new Library is the result of hard work, much planning, and the ideas born in the minds of the women in the Book Review Section of the Amuay Woman's Club. Graele has been most generous in providing for the central location of the Library, for air-conditioning equipment, new lighting fixtures....the Amuay Woman's Club made an initial monetary contribution to the Library of Bs 1,000 with which to buy new books....and many thanks are due the members of last years' Community Council, especially to Mr. John Long, Sr., who served as President. All these efforts and many more too numerous to mention here have made the opening of our new Library possible next week.

The Library shall operate on a six-month "membership" basis...each "membership" valued at Bs 15 which can be purchased anytime during the Library hours...especially the first day (Please bring the correct change!).

Some of the current "Best Sellers" recently arrived from the States and which are available to "members" are:

The Library also has a paper-back "SWAP-SHOP" (where you bring-one-take-one); a "juvenile" section (strictly for those of us who are "WITH IT!"); and a small section of books in Spanish.--- Come in and browse ---it's COOL!!!

SOCIETY

WELCOME TO AMUAY to two wonderful ladies:

Sister Louis, who has recently arrived from Maracaibo to work in our Hospital "Sagrada Familia" and Mrs. Mary B. Morris, who is Nell Lasseter's mother from Amite, Louisiana! Sister Louis is from Philadelphia, but worked under Sister Miriam at the Coromoto Hospital until her arrival in Amuay. Mrs. Morris will have been in Amuay two weeks tomorrow! She said that the seasons have changed so in the States that she was planning to spend the "winter" in Judibana with Nell and Ernie, and Tara Lynn! We do hope you enjoy your stay Mrs. Morris — and there is so much to see here — the sea, the mountains, and being with your family..... the Monthly Supervisor's Dinner was held at the Ondas de Caribe last night with a large number of people in attendance...Sr. Flores, of CADA, informed the Pelican that the Snack Bar will open again soon... employees are being trained now...watch for its re-opening date in the Pelican....in case you want to keep "up-to-date" with the latest in "news" just dial 312...news of the Collective Contract negotiations and current local and industrial news is at your fingertip. Also, remember to dial 311 for information regarding fires... each Saturday at 10:30 a.m. and 12:30 p.m. the fire sirens are sounded...this is to acquaint the workers with the sound both "on!the!job" at 10:30 a.m. and in their homes at 12:30 p.m....also, it is a good test to make sure the sirens are functioning properly...all is for YOUR PROTECTION! The Banco de Venezuela has announced their plans to construct a branch bank East of the Judibana Theater soon...plans are being reviewed now, and construction is reported to start soon...actual work on the building is to last four months... there is no need to be concerned over the water situation since the Siburua Reservoir failure at the dam site....all the water wells in Siburua are producing...all pumps are functioning properly...our lawyer-friend Duque Sanchez celebrated his birthday last Sunday...also, it was his first year's anniversary in Amuay...John and Anne Kent are returning to Amuay on Monday, November 9, from their stay in Caripito where John was serving as Process Group Head...they will soon retire to the States.

The Party of the Week was given by the Jesse Jacksons prior to the big, Halloween Dance at the Golf Club...it was a "costume" affair...the Hatchers dressed as Jack-O-Lanterns and Alton Diserens turned out to be "Fidel Castro"! The Golf Club Dance on Halloween Night saw Mary Lou Johnson in a shower curtain...complete with curtain rod and "cellophane" water from a shower head...Peggy and Parke Weidler were the two chimps from "Aba-daba-Honeymoon"! Chuck Sellers was dressed as a "well-dressed" convict...stripes and all...but the First-Prize winner was Peggy Hammond as the pregnant woman of "Wedded Bliss?"...Jerry Hammond was dressed as the "slick, Moonlight Gambler" while wife Peggy was totin' the "burden" of the household...Bill Powers was dressed as ??? (What ?) and Moe Powers was leading Joan Byers by a strand of rope tied to Joan's foot (Joan was a Blackbird). The Golf Prizes were awarded this same evening...Sue Amos and Claudia Ross being the top winners...and on Tuesday morning, November 3, Arlene Place surprised Lois Sferra with a Coffee-Shower in anticipation of the coming of Mr. Stork in early December...Dee Patterson is replacing Guy Smithson while Guy is on vacation...Dee is now Supervisor of the Motorized Equipment Section of M Y C.... also, Audio Peña Esparza is replacing Pedro Ranuare in the Sales Group while Pedro is on vacation...many, many thanks are due the Mixon family, Rita and J.C., who edited and published the Pelican during the month of October...will someone please volunteer to publish the Pelican for ONE ISSUE (January 9) in 1960?...Your present editor will be on vacation during the Christmas Holidays and would like to know that the paper will be published for Saturday, Jan. 9th, before he leaves.... and now to the "comings and goings" about Amuay.....Claudia Ellis travelled to Caracas a week ago last Wednesday and returned on Sunday...Claudia reported a "wonderful" time! Mike Soroka, now working in Caracas and formerly of Amuay and Caripito, was in Amuay over the past weekend...he was seen dancing at the Golf Club dance on Saturday...Jack Sams spent Monday in Caracas on company business...R.C. Ellis flew to Maracaibo and on to Tia Juana on Tuesday on company business...Archie Knight went to Tia Juana also...the Martin Stangers left on vacation Tuesday morning ...they flew to Miami via Curacao. Edwin Meyer left for New Orleans on Tuesday...Baudilio Gonzalez Duran, of the Autocine, flew to Caracas and Mrs. Arline Martin left for Houston, Texas, and then on to Crockett, Texas, to be with sons Butch and Dwayne..."Butch" is a freshman in Sam Houston State College, Huntsville... and three of our teachers: Misses Mary Moore, Dottie Egel, and Barbara McGuire left yesterday for a weekend in Maracaibo at the "del Lago".....that's all this week...please send in your social notes early!!!

Water Situation - It was reported that the Si-burúa Reservoir was emptied last week AT the embankment on the South side approximately 30' wide at the top and 70' wide at the bottom. The Manager, who visited the reservoir on Sunday, informed that while no concrete conclusion can yet be drawn, it would appear that the damage might have been due to seepage from an old river bed over which the reservoir was constructed, or due to a leak in the line. The line into the reservoir was damaged with the sloughing of the embankment and considerable excavation will be necessary to effect repairs. Dr. William Lambe, Soil Consultant retained by Creole, has been notified.

Banco de Venezuela - The Accounting Group Head informed that representatives of the Banco de Venezuela have signed a contract with Baptista Hermanos for the construction of a branch bank in Judibana. Construction is to begin as soon as the necessary permits are secured, the building to be completed four months later.

In her long, narrow watercolor painting, Mrs. Ku includes the feeling as well as the ancient symbols of peace, long life and the five blessings. A three-fold card, 18" long by 4" high, the center panel is of the Holy Family, with panels showing the shepherds and the wise men on either side.

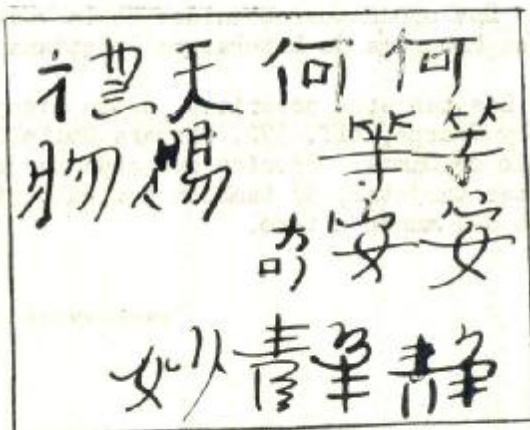

MADONNA AND CHILD by David Chituku

A young Christian African who has worked and taught at Cyrene in Southern Rhodesia. The wood carving is shown in duotone on a background of soft red natural weave, suggestive of the bright-colored homespuns of Africa. The card is 5½" x 5½", and carries an appropriate verse of Scripture.

Each year the Committee on World Literacy and Christian Literature, of the National Council of Churches of Christ, distributes Christian cards painted by a Christian artist overseas. Proceeds from the sale of these cards provide funds for the literacy and Christian literature program around the world. The Ladies Circle of the United Church of Amuay, being affiliated with the National Council of Churches, promotes the sale of these cards.

The cards, as described, are available and your order may now be placed with, DOROTHY SHARPE, tlf. 572, BARBARA OUTTERSON, tlf. 507, or any member of the Ladies Circle. Price each, one real. EDITORIALES

"Cortesía corriente es mejor que precepto y la Norma Brillante es la primera regla de la Etiqueta verdadera!"

Una persona desconsiderada, e instigadora, nunca llegará a la madurez. Prácticamente todas las normas y entrenamiento de un adulto están envueltas en esa sola palabra "CORTESIA". Una persona graciosa y encantadora es la ventaja más valiosa que puede poseer. Si no existieran otras razones para adquirir cortesía y encanto, los triunfos y felicidades que tuviéramos serían suficientes. La habilidad para tomar parte activa, causa esa tranquilidad de bienestar que para el pensamiento es tan necesaria. Las buenas costumbres son los gestos visibles de las gracias espirituales, las cuales han sido hechas por esfuerzos constantes para hacer lo que es propio y correcto, y la práctica de buenas costumbres y cortesía común debe formar parte de un sentido propio al comenzar a caminar y a hablar. La razón por la cual salen de las universidades más selectas como también de los colegios más pequeños la Ignorancia Social, es porque una educación universitaria no puede dotar a un individuo con una conciencia.

Un desprecio de la costumbre social que es usualmente observada por los bien criados es un reconocimiento de la ignorancia absoluta, o el sentido falso de superioridad le da el privilegio de atrevimiento y la falta de consideración a otras personas y sus sentimientos. Hay que recordar que la cortesía es sembrada y basada en la sinceridad y honestidad.

En un mundo lleno de temor y dominado por incertidumbres, las confortables maneras gentiles y etiquetas sociales son brillantes, incienso, mirra a nuestros espíritus. La descortesía y mala crianza que pisotea cruelmente al sentimiento y la dignidad de otros puede bien reemplazarse por cortesía, es fácil; es contagioso.

El Gerente visitó la represa el Domingo e informó que aún no se ha llegado a una conclusión definitiva, pareciera que los daños pueden haber sido ocasionados por una coladura de una base de un río viejo, sobre la cual se construyó la represa ó motivado a una filtración en la línea.
