"LOS CAÑONES de Navarone" (The Guns of Navarone), no solamente tiene el atractivo taquillero de figuras como Gregory Peck, David Niven y Anthony Quinn, sino que la música es de Dimitri Tiomkin, el mismo que escribiera aquella partitura ya clásica para "La Hora Señalada" (High Noon) con el difunto Gary Cooper. Por añadidura, entérense ustedes que Dimitri cobró por la música casi tanto como la estrella mencionada... VINC como temporadista la señora de Marco Aurelio. Podemos dar fe y testimonio de que el muchacho no

ha hecho nada censurable... DE PASO también, los días lunes y martes, José Garrido, uno de nuestros ases del lente al servicio de la Creole en Caracas. Es el autor de aquella maravillosa fotografía del "Manhattan" que publicó en portada hace algunas semanas el "Aquí Amuay". Naturalmente, Pepe vino con su cámara a "descansar" en Amuay... AL GRUPITO de italianos que se metía en la casa de Giorgio Sferra para escuchar "La Traviata", "El Trovador", "La Bohemia", "Carmen", "El Barbero de Sevilla", "Aida", etc, se les avisa que las sesiones de ópera fueron mudadas para mi casa en la Avenida Caracas. La tarifa será igual que en la casa de Giorgio: Bs 5 por ópera, y Bs 10 con servicio de dos whisky. Por cierto que cuando me presenté en casa con aquel bojotón de "discos raros" y que comencé a poner uno tras otro aquellas bellas arias cantada por la Callas, que no se calla así la estrangula el Di Stéfano o el Del Mónaco, mi mujer habló meditabunda: "Pobre Lois. Con lo mucho que ha debido sufrir". Luego comentaría mi pacientísima suegra: - "Dios mío, ¿qué le habré hecho yo al señor Sferra?..." DOS PRIMICIAS en esta columna: Billo Frómeta para el mes de junio, y "Los Melódicos" repetirán en julio. (Ah, sin merengues)... AVISO: si ven un carrito muy chiquito, muy chiquito, accidentado en cualquier calle de Judibana, favor de notificarlo a Relaciones Públicas. El carrito tiene dolientes en ese Grupo... Y PARA cerrar, este chiste: "Contaba una señora tener un sobrino de lo más vivo mentalmente. Lo decía con auténtico orgullo a sus amigas: - Figúrense que en su último cumpleaños su mamá le preguntó qué le gustaría que le regalaran. El chico dijo que una hermanita. Y casualmente la mamá pudo traerle una chiquilla, preciosa, por cierto. Para este año se repitió la misma pregunta en la víspera de cumpleaños. El muchacho vaciló un poco antes de responder. Finalmente dijo: - Mamá, creo que esta vez te molestaré de verdad... Dime querido - Es que me parece que será demasiado para tí. El año pasado te pedí de regalo una hermanita, y me complaciste. Este año quiero un poco más. - ¿Qué es lo que quieras? - Un pony..."

## CONTRATIEMPOS EN EL CUIDO Y ALIMENTACION DE "EL PELICANO"

Esta semana es muy probable que "El Pelícano" aparecerá sin fotografías - Y, no por incumplimiento de nuestro muy atareado fotógrafo. Debido a la enfermedad del empleado encargado de trabajos de litografía en la Sección de Reproducción nos informaron que era preciso dar prioridad a otros trabajos más IMPORTANTES y URGENTES, argumento ése que no pudimos refutar.

Sin embargo les agradeceríamos a todos nuestros lectores-empleados de la Compañía quienes en una u otra ocasión solicitan servicios de reproducción particularmente en trabajos de Multilith (Duplimat) y Litografía evitar el uso (y ABUSO) de la palabra "Urgente". Determinar de antemano la fecha exacta en que será requerida es cosa relativamente fácil.

"El Pelícano" no es urgente, pero debe salir a la calle los viernes por la tarde. De lo contrario hay quién reclama su suscripción. Opinamos que nuestros patrocinantes creen que cumple una misión informativa - De otra manera ya nos hubieran quitado el subsidio.

THE CARE AND FEEDING OF "THE PELICAN" is not all easy sailing as we found out just now when we found out that we were Low Man on the totem pole as far as priorities for reproduction were concerned. Of course we can hardly blame the piano-players (Reproduction Section Staff) as we ourselves in our official capacity as Company employees use (and ABUSE) the term "URGENT" on almost anything we send there.

Our readers, during working hours, must share some of the blame owing to this same "URGENT" habit... As a matter of fact it has gotten to the point where one no longer bothers to indicate that date (and/or time) that the finished work is required, but merely scrawls the word "URGENT" across the order. Such action naturally makes your routine "Urgent" work take precedence over this publication.

We do not pretend that "The Pelican" is urgent but somebody must think that it's important enough to want to have it hit the news-stands every Friday in the PM... Otherwise they'd cut our water off. Of course we could take the retrograde step and put out a pictureless "Pelican" which is what this one promises to be owing to the illness of the employee who normally handles the lithography phase of this work.

From the looks of things - at 11 PM on Thursday, May 17th - we'll have to omit picture coverage of the following events:

- 1) Día de la Enfermera;
- 2) "May Flowers" reception for parents at the Simón Bolívar School;
- 3) Junior Stamp Collectors Meet at the Simón Bolívar School;
- 4) Caracas transfer of Luis Bartolini;
- 5) First Communion;
- 6) Championship Luncheon of the Ladies Golf Section of the Club Bahía.

If for some reason we manage to get in a pictorial section in this issue (even without captions) if somebody relents we'll be thankful for small mercies - But as the man said: "This is one helluva way to run a paper".

\* \* \* \* \*

Los reportajes gráficos que probablemente no aparecerán en este número son:

- 1) Día de la Enfermera;
- 2) Recepción para los padres ofrecida por las maestras de la Escuela Simón Bolívar;
- 3) Filatelistas Juveniles en la Escuela Simón Bolívar;
- 4) "Hasta Luego" a Bartolo;
- 5) Primera Comunión en la Iglesia Cristo Rey de Judibana;
- 6) Almuerzo de las Damas Golfistas del Club Bahía

PELICANO (SIN FOTOS) - PICTURELESS PELICAN

Para hacerles recordar lo horrible que era un "Pelícano" sin fotografías publicamos a continuación los reportajes ya mencionados:

To remind our readers of what a pictureless "Pelican" looks like, here are the write-up that don't have pictures to go with them:

DIA DE LA ENFERMERA: En el Hospital Sagrada Familia de Judibana, también se celebró el Día Internacional de la Enfermera.

En la capilla del hospital se ofició una misa seguida por un cordial desayuno durante el cual el Dr. Alberto Paz González dijo unas palabras alusivas a la significación del día celebrado.

Una ofrenda floral colocada en la Plaza Bolívar de Judibana con la asistencia de todo el personal de enfermeras del hospital y sus colegas cerró el programa. (DOS FOTOGRAFIAS)

RECEPCION EN LA ESCUELA SIMON BOLIVAR: El lunes pasado en horas de la tarde las maestras de la Escuela Simón Bolívar ofrecieron una pequeña recepción a los padres de los alumnos. Totalmente informal, era una forma de "Open-House" ya que todos los salones de clase permanecieron abiertos para la insprcción de los cisisitantes.

El sitio más concurrido era la exhibición de trabajos de arte hechos por nuestros niños y tuvimos el placer de oir música grabada durante las recientes clases de música. Los alumnos del 5º Grado se encargaron de la preparación de los refrescos y el alumnado de la escuela tomaron parte activo en los preparativos para la recepción.(SEIS FOTOS).

"May Flowers" reception for parents at the Simón Bolívar School: An afternoon reception for Parents was held last Monday at the Simón Bolívar School. Although it was not an "Open House" in the generally accepted meaning of the words, all classroom doors were open.

An art display of work done by our children was the most popular spot and as a special treat we heard a play-back of tape-recorded music during recent music classes. The refreshments were made by the Grade 5 students, under the direction of the teachers and all the work of preparing the reception was done by our children as a tribute to Mom & Dad. (SIX PICTURES)

FILATELISTAS JUVENILES EN LA ESCUELA SIMON BOLIVAR: The very active Stamp Club which was set up in the Fall recently awarded prizes to the winners of the two Special Projects which had been assigned some time back.

The Free Project award was won by Joyce Wannop for her display of "Birds of Venezuela" while Mark Traas walked off with honors for his arrangement of the "Champions of Liberty" series. Judges were Old Pros Ray Farnum and Stan Gesner.

The Club meets each Thursday afternoon and they are very greatful for the expert guidance of Lourens Traas. (TRES FOTOGRAFIAS).

PRIMERA COMUNION EN JUDIBANA: El domingo pasado recibieron su Primera Comunión, en la Iglesia Cristo Rey de Judibana, los niños Arleen Thomas, Lorraine Walker, Matt Wolke, Karen Cesta, Travis & Kathy Marvel, LeRoy Johnston III y John McGrath.

Después de la ceremonia pasaron a Luigi's donde desayunaron en compañía de sus padres.

First Communion in Judibana: Last Sunday was a Big Day in the lives of these children and their parents as they made their First Communion and renewed their baptismal vows in the Church of Christ the King in Judibana.

After the ceremony a family breakfast was served at Luigi's Restaurant. These young people are: Arleen Thomas, Lorraine Walker, Matt Wolke, Karen Cesta, Travis & Kathy Marvel, LeRoy Johnston III and John McGrath. (UNA FOTO)... QUE BELLEZA DE PELICANO!!!!!!

## MORE PICTURELESS PELICAN

LADIES GOLF - The Ladies Golf Section of the Club Bahia held their Championship Luncheon at the Club on May 15th. The table decorations, done by Social Chairman Connie Brown were lovely. The food and service provided by Manager Mike Salas and the Club Staff was wonderful.

Outgoing Champion Sue Amos presented the Cup to Champion Wendy Hatcher, who then filled the cup with Champagne and passed it among the guests. Ladies President Lola Price presented Wendy with a personal trophy (The Cup stays in the Club) and then awarded prizes to the other winners. They were:

A gift was presented to Marie Gabriel, who will be leaving us in June. Marie joined the Lady Golfers in 1954 and served two terms as Tournament Chairman and as Officer at Large. Good luck, Marie. (NINE PICTURES WHICH FORTUNATELY ARE ON DISPLAY AT THE CLUB BAHIA - That means that the only way that non-members can get to see them is by joining the Club while the Bs 40,00 per month dues offer still holds good - And that runs out in exactly TWELVE DAYS).

在這段時間裡，我會盡力照顧你，讓你感受到家的溫暖。

Dentro de DOCE (12) DIAS será cerrado el período inicial de inscripción en el Club Bahía. Esto significa que los personas elegibles que aún no se han convertido en Socio Activo tendrán que pagar Bs 50,00 mensuales, caso de inscribirse después del 31 de mayo de 1962.

在這段時間裡，我會繼續努力工作，並尋找更多的機會來擴大我的事業。

'HASTA LUEGO' A BARTOLO

R  
D  
L

Sin darnos 'chance' para despedirles en la forma tradicional se ausentaron los Bartolini en la semana pasada. Nos cuentan que Luis no tuvo tiempo para cobrar parte de la cuota de inscripción como socio fundador del CluBBahía.

L  
D

Cumanés por nacimiento, Bartolo pasó sus años escolares en Caracas y en Los Dos Caminos, Estado Miranda antes de emplearse con la Creole como Oficinista Menor en Caracas a fines de julio de 1940. Para esa fecha nuestra oficina en Caracas formaba parte de la Standard Oil Company de Venezuela. Se convirtió en Operador de Comptómetro y en mayo de 1942 fué transferido a Lagunillas. Un año más tarde pasó a La Salina, regresando a Caracas en 1947.

En Noviembre de 1952 llegó a Amuay y posteriormente el apodo de 'Bartolo' pasó a ser sinónimo de "RUFA" donde dejó muchos 'pacientes agradecidos'. Le deseamos buena suerte y pronto regreso para la despedida de rigor.

\*\*\*\*\*

SUDDEN is not the word for the 'overnight' transfer of Luis Bartolini to Caracas. After almost ten years in Amuay the family left for a weekend to Caracas and just stayed on. Actually this was in the end for some time but we've gotten so accustomed to going to farewell parties for transferees that this was somewhat of a jolt.

Bartolo was born in Cumaná and went to school in Caracas and Estado Miranda before joining Standard Oil Company of Venezuela in Caracas as a Jr. Clerk at the then astronomical salary of Bs 140 per month. Soon after that he became a Comptometer Operator and in May 1942 he was transferred to Lagunillas. This was followed one year later by a four-year assignment in La Salina. Then return to Caracas in January 1947.

In November 1952 he arrived in Amuay and his nickname eventually became synonymous with "RUFA". BEST OF LUCK and come back soon - Drinks are on the house.

AT THE TRACK - Wendy Hatcher (who drove in two races), Dorothy Trahan, Donna Reedy and Sra. Penessi were helping in the pit area. The turnout was good with 6 to 10 starting each race and nearly everyone finishing. Interest is building up again and it looks like months of good competitive racing are coming.

SPECIAL DISPLAY - Sr. Antonini came from Coro to give a demonstration of his Dart Kart with Italian Parilla engine. He raced with the other Karts, however, his use of methanol and the fact that he was slightly under weight means he could not qualify for the 300 # class. His almost unbelievably fast lap times are shown above.

SINGLE ENGINE, 300 # CLASS - In the 300 # Class, Jackson's Bug Kart with Reedy's engine swept the field. Reedy scored 4 firsts with the Jacksons winning twice. Cardwell held the next fastest time of the day. Aubrey, Luchetti, Girardi, Trahan, Gilbert and Hatcher all seemed evenly matched and had very close races. Dual carb manifolds are now sprouting up everywhere. Jackson and Reedy tied to set a new class record of 39.6 seconds per lap. This betters Reedy's previous mark of 40.5 seconds set on May 6, 1962.

NEXT RACES WILL BE HELD TOMORROW, SUNDAY, MAY 20 AT 3:30 PM - ENTRANCE - FREE

VOL. XV N° 16

DO YOU SUFFER FROM CULTURE SHOCK ? (WIVES ARE AFFECTION MORE THAN HUSBANDS) - Part II:

Another phase of culture shock is regression. The home environment suddenly assumes a tremendous importance. To an American everything American becomes irrationally glorified. All the difficulties and problems are forgotten and only the good things back home are remembered. It usually takes a trip home to bring one back to reality.

Shock Symptoms - Some of the symptoms of culture shock are excessive washing of the hands; excessive concern over drinking water, food, dishes, and bedding; fear of physical contact with attendants or servants; the absent-minded, far-away stare (sometimes called the tropical stare); a feeling of helplessness and a desire for dependence on long-term residents of one's nationality; fits of anger over delays and other minor frustrations; delay and outright refusal to learn the language of the host country; excessive fear of being cheated, robbed, or injured; great concern over minor pains and irritations of the skin; and finally, that terrible longing to be back home, to be able to have a good cup of coffee and a piece of apple pie, to walk into that corner drugstore, to visit one's relatives, and, in general, to talk to people who really make sense.

Individuals differ greatly in the degree in which culture shock affects them. Although not common, there are individuals who cannot live in foreign countries. Those who have seen people go through culture shock and on to a satisfactory adjustment can discern steps in the process. During the first few weeks most individuals are fascinated by the new. They stay in hotels and associate with nationals who speak their language and are polite and gracious to foreigners. This honeymoon stage may last from a few days or weeks to six months depending on circumstances. If one is a very important person he or she will be shown the show places, will be pampered and petted, and in a press interview will speak glowingly about progress, goodwill, and international amity, and if he returns home may well write a book about his pleasant or superficial experience abroad.

Hostility Development - But this Cook's tour type of mentality does not normally last if the foreign visitor remains abroad and has seriously to cope with real conditions of life. It is then that the second stage begins, characterized by a hostile and aggressive attitude towards the host country. This hostility evidently grows out of the genuine difficulty which the visitor experiences in the process of adjustment. There is maid trouble, school trouble, language trouble, house trouble, transportation trouble, shopping trouble and the fact that people in the host country are largely indifferent to all these troubles. They help out but they just don't understand your great concern over these difficulties. Therefore, they must be insensible and unsympathetic to you and your worries. The result, "I just don't like them".

(TO BE CONTINUED NEXT WEEK)
